\* Discounted member rates are only available for online pre-registration. Online registration will be closed after April 1, 2011. As of April 2, 2011, all registrations will have to be done on-site at the event itself at the regular fee (no member discounts will be applied for on-site registration).

\*\* Speakers are required to register by February 18, 2011. If registration and payment are not received by that date, the speaker will be cancelled from the program and all publications.

\*\*\* This book is already included in the speaker registration fee, but regular visitors can purchase it separately.

All fees include VAT.
